International Symposium on "Innovation and Sustainable Development in Agriculture and Food". Organisation of a satellite session on the Mediterranean (ISDA-2010 MED)

## **PERSPECTIVES**

: The results of the round table were posted on the site of the « Global Donor Plateform for Rural Development », were sent out through the AARINENA network and will be published as a book chapter within a book on ISDA which will be published by Quae-Wageningen Publishers and CTA in French and English.

We also hope that these reflexions will be carried on within the ArimNet, the Aarinena network, or at a next edition of the ISDA symposium.
